

Job Code: U8818
Pay Grade: UH
Pay Scale: \$81,819.16-\$122,728.75 Annually
Exempt: Yes

OVERVIEW

The Fiscal Inventory Manager, a critical position in the Sheriff's Office, responsible for managing all aspects of the agency's warehouse operations, including inventory control, property management, customer service, and capital asset management. The ideal candidate will have a strong background in warehouse management, accounting, property control, and capital asset management, as well as experience with project management and change management.

DUTIES & RESPONSIBILITIES

Duties may vary based on assignment.

- Plan, coordinate, and oversee all aspects of assigned accounting-related technology and operations projects during the project lifecycle including, but not limited to, developing project plans and timelines; scheduling and coordinating project activities; managing project budgets; communicating with project stakeholders; and ensuring that projects are completed on time, within budget, and to the required specifications.
- Evaluate, reconcile, and problem solve accounting, budgeting, and internal control processes including, but not limited to, reviewing financial statements and reports, identifying and investigating accounting errors and irregularities, and developing and implementing corrective actions.
- Develop and implement policies and procedures for property control and inventory management to ensure compliance with all applicable law and regulations related to property and inventory control; develop and implement a plan for the long-term storage of capital assets and proper management of grant-related capital assets with grant requirements.
- Track the status of all property in the warehouse and maintain accurate records of all property in the warehouse including serial numbers, descriptions, and locations; properly track and maintain all capital assets, including grant-related capital assets.
- Conduct regular inventory audits to ensure that all property is accounted for and regular physical inventories of capital assets; respond to customer inquiries and resolve any problems or complaints and work with grant administrators to ensure that capital assets are properly accounted for and managed in accordance with grant requirements.
- Investigate and report on losses and thefts of property and capital assets.
- Coordinate with other departments to ensure that all property and capital assets are properly disposed of when no longer needed.
- Train and supervise warehouse staff on warehouse procedures, safety protocols, and equipment operation.
- Represent the Sheriff's Office at meetings and conferences related to warehouse and asset management.
- Perform other related duties as required.

KNOWLEDGE & ABILITIES

- Working knowledge of governmental accounting and auditing principles (GAAP) practices, procedures, methods, and theory.

- Knowledge of warehouse management principles and practices.
- Knowledge of grant management principles and practices.
- Knowledge of accounting, budgeting, and internal control processes.
- Knowledge of warehouse safety protocols and procedures.
- Knowledge of applicable laws and regulations, including those related to property control.
- Knowledge of capital asset management principles and practices.
- Supervisory principles, practices, and procedures.
- Proficient in the use of Microsoft Office Suite.
- Ability to work independently and as part of a team.
- Ability to use capital asset management software.
- Ability to use grant management software.
- Ability to use inventory management software.
- Ability to communicate clearly and effectively, both orally and in writing.
- Ability to schedule, assign, monitor, review, and evaluate the work of assigned subordinate(s).
- Ability to pay strict attention to detail.
- Ability to read, comprehend, interpret, and apply job-related laws, rules, policies, and procedures.
- Ability to negotiate effectively with vendors and other stakeholders.
- Ability to stay up to date on changes in laws and regulations related to warehouse and asset management.
