

Fiscal Transaction Services Manager

Job Code: U8819
Pay Grade: UI
Pay Scale: \$90,410.17-\$135,615.26 Annually
Exempt: Yes

OVERVIEW

Manage high-volume transactional accounting operations across accounts payable, accounts receivable, and payroll-related accounting, ensuring strong transaction-level internal controls, accurate and timely processing and reconciliation, and continuous workflow improvement.

DUTIES & RESPONSIBILITIES

Duties may vary based on assignment.

- Plan, coordinate, and oversee daily operations across accounts payable (AP), accounts receivable (AR), and payroll-related transactional accounting, including processing, reconciliation, and service delivery.
- Establish, document, and maintain standardized transactional policies, procedures, and internal control checklists for AP, AR, and payroll-related accounting activities.
- Oversee month-end and year-end transaction-cycle close activities for assigned areas, including account reconciliations, variance review, and supporting schedules provided to General Accounting.
- Coordinate with General Accounting on posting rules, reconciliation standards, and financial statement impacts of transactional activity; ensure issues are escalated and resolved timely.
- Serve as the operational lead for transactional Workday/Enterprise Resource Planning (ERP) enhancements, including workflow redesign, automation opportunities, testing, and control validations.
- Manage customer and vendor service expectations for AP, AR, and payroll inquiries; resolve escalations and ensure timely, professional responses.
- Develop and implement cross-training, coverage, and continuity protocols to ensure uninterrupted payroll cycles, payment runs, and receipting and deposit workflows.
- Supervise, coach, and evaluate assigned staff; assign work, set priorities, and provide training to promote consistency and accuracy; provide ongoing feedback and initiate corrective action, up to and including dismissal, as needed.
- Monitor operational performance metrics for timeliness, accuracy, and compliance; identify trends and recommend process improvements.
- Perform other related duties as required.

KNOWLEDGE & ABILITIES

- Knowledge of payroll, accounts payable, and accounts receivable principles and best practices, including reconciliations and transaction controls.
- Knowledge of supervisory principles, practices, and procedures.
- Working knowledge of applicable laws and regulations related to payroll, payroll taxes, and governmental accounting operations.
- Working knowledge of internal control best practices, including segregation of duties, approval workflows, and reconciliation standards.
- Proficiency in the use of Microsoft Office Suite.
- Ability to communicate clearly and effectively both orally and in writing.

- Ability to work both independently and as part of a team in a fast-paced environment.
- Ability to schedule, assign, monitor, review, and evaluate the work of assigned subordinate(s).
- Ability to pay strict attention to detail and meet hard deadlines (e.g., payroll close).
- Ability to read, comprehend, interpret, and apply job-related laws, rules, policies, and procedures.
- Ability to use Workday or other ERP systems for financial and payroll-related business processes.
