Digital Evidence Analyst

Job Code: W0123
Pay Grade: WO
Pay Scale: $29.92-$45.92 Hourly; $62,233.60-$95,513.60 Annually
Exempt: No

OVERVIEW

Under administrative and technical direction, perform a variety of highly technical digital/video forensic examinations in support of criminal and administrative investigations undertaken by the Sheriff's Office.

DUTIES & RESPONSIBILITIES

Duties may vary based on assignment.

- Collect, preserve, and process video evidence for use in criminal investigations as directed, including, but not limited to, physical digital/electronic devices collected from crime scenes by detectives.
- Drive to crime scenes and other locations to collect and preserve digital multimedia evidence from physical electronic devices as directed; assist with securing, returning, and connecting processed equipment.
- Assist agency personnel with converting/transcoding proprietary video/audio files into standard playable formats.
- Evaluate the reliability of video evidence by conducting a forensic examination of important technical issues that may impact reliability.
- Analyze diverse items of digital media using forensic software and hardware to acquire/ extract the data from the digital media.
- Assist with performing advanced cloud stored video acquisitions.
- Author supplementary reports.
- Respond to subpoenas for deposition and provide courtroom testimony as an expert witness as required.
- Prepare any forensic multimedia work performed and exhibits incorporating digital multimedia evidence for investigative use and trial presentation; orally communicate technical presentations in court and to a large audience.
- Continue advancing skills through research and attendance at educational conferences and relevant courses and/or workshops.
- Perform advanced forensic imaging/cloning and examinations of recording devices, such as digital video recorder (DVR)/network video recorder (NVR) hard drives.
- Develop and provide digital evidence training to agency personnel.
- Perform other related duties as required.

KNOWLEDGE & ABILITIES

- Working knowledge of federal, state, and county laws, ordinances, and regulations governing the dissemination and retention of criminal information.
- Working knowledge of legal issues for digital/video evidence as it relates to search and seizure laws and the examination of the evidence.
- Working knowledge of records management system standard operating procedures.

- Working knowledge of the practice of digital/video forensics, including but not limited to the collection, processing, preservation, analysis, and the presentation of digital/video evidence, industry best practices and their day-to-day applications.
- Ability to cope with objectionable images and disturbing situations (e.g., crime scenes) and willingness to work with biohazard evidence.
- Ability to respond to crime scenes and/or search warrants outside of normal hours to forensically recover and document digital evidence.
- Ability to communicate effectively, both orally and in writing.
- Ability to collect, organize, and evaluate data and to develop logical conclusions and/or solutions.
- Ability to handle confidential information.
- Ability to learn specialized department software applications.
- Ability to safely operate a motor vehicle.
- Ability to traverse uneven terrain, wooden, and marshy areas.
- Ability to climb, bend, stoop, kneel, or crouch at ground level.

SKILLS

- Evidence Collection
- Evidence Handling
- Evidence Preservation
- Evidence Processing
- Digital Evidence
