

# Forensic Laboratory Biology Analyst Trainee

Job Code: W2772 Pay Grade: WO

**Pay Scale:** \$29.92-\$45.92 Hourly; \$62,233.60-\$95,513.60 Annually

Exempt: No

#### OVERVIEW

Learn to perform biological examinations and comparisons using biology/DNA protocols.

### **DUTIES & RESPONSIBILITIES**

Duties may vary based on assignment.

- Perform examinations on submitted evidence according to biology/DNA protocols.
- Write reports to document findings and conclusions of cases.
- Testify as an expert witness in court regarding biology examination and comparison procedures to facilitate the court's understanding of biology/DNA evidence.
- Respond to requests for assistance to advise on biology issues.
- Brief attorney, criminal justice personnel, and judicial staff on biology findings.
- Maintain electronic/hardcopy biology files.
- Perform other related duties as required

## **KNOWLEDGE & ABILITIES**

- Knowledge of advanced biology/DNA examination techniques.
- Knowledge of the history of forensic biology.
- Working knowledge of biology/DNA techniques and use of section equipment and processes.
- Skill in making credible presentations as an expert witness in court.
- Skill in examining evidence for the presence of biological material.
- Knowledge of the FBI's Quality Assurance Standards and forensic accreditation bodies and processes.
- Ability to prioritize work.
- Ability to follow established procedures.
- Ability to work effectively with others.
- Ability to communicate effectively both orally and in writing.
- Ability to collect, organize, and evaluate data and to develop logical conclusions.
- Ability to maintain technical expertise.
- Ability to use a computer and related software.
- Ability to handle confidential information.
- Ability to maintain work-related records and prepare reports.

#### WORKING CONDITIONS

- Work within a forensic laboratory environment within a law enforcement agency.
- Work with items of evidentiary value, which may contain body fluids (e.g., blood, saliva, semen) that have been processed with chemicals that are known to be carcinogenic or toxic.
- Remain in a stationary position for extended periods of time at a keyboard or workstation and/or microscope.
- May engage in light physical exertion (e.g., lifting, carrying, pushing and/or pulling of objects and materials up to 10 pounds).

May be required to work non-standard hours including nights, weekends, and holidays.

• In the event of an emergency or disaster, may be required to respond promptly to duties and responsibilities as assigned by management chain, Division/District Commander, or the Sheriff (or their designee). Such assignments may be for before, during or after the emergency/disaster.

## MINIMUM EDUCATION & EXPERIENCE

- A bachelor's degree from an accredited institution of higher education with a degree in biology, chemistry, or a forensic science-related area.
- Completion of at least 9 credit hours of coursework in biology or chemistry-related areas that provide an understanding of the foundation of DNA analysis.
- Completion of coursework covering statistics or population genetics.

## REQUIRED POST EMPLOYMENT TESTING

 Must successfully complete the HCSO Biology Analyst training program within the first twelve months of assignment.

## Additional Job Requirements

- Attendance at the specified Sheriff's Office work location is required.
- Depending on assignment, employees may be required to possess a valid Florida Driver License at time of employment. Driving history will be thoroughly reviewed and may be grounds for disqualification.
- No visible tattoos on face, head, and neck. Tattoos determined to take away from the
  professional appearance of the Sheriff's Office must be covered with an appropriate white,
  black, or neutral covering.
- No illegal drug sale within lifetime.
- No illegal drug use within the past 36 months. No marijuana use within the last 12 months.
- No felony convictions within lifetime.
- No misdemeanor convictions involving perjury, false statement, or domestic violence within lifetime.
- No dishonorable discharge from any branch of the United States Armed Forces, the United States Coast Guard, National Guard, or Reserve Forces.
- Successful completion of a background investigation including criminal, reference, employment, and neighborhood checks; polygraph; medical evaluation; and drug screening.
- Live within Hillsborough County or within Citrus, Hardee, Hernando, Lake, Manatee, Pasco, Pinellas, Polk, Sarasota, or Sumter County as long as the residence is located within the 60mile parameter of Falkenburg Road Jail at the time of appointment/employment (certified only).

The duties and responsibilities on this job description represent the essential functions that an employee must be able to satisfactorily perform with or without reasonable accommodations. Reasonable accommodations shall be made upon request to enable employees with disabilities to perform the essential functions of their job, absent undue agency hardship. The Sheriff's Office retains the right to change or assign other duties to this job as necessary.

## PREFERRED QUALIFICATIONS

 Experience in a forensic biology section of a National DNA Index System (NDIS) participating laboratory working as a technician or higher level.
