QUESTIONS AND ANSWERS FOR
RFP NO. 8-19 Intrepid and Zodiac Gasoline Outboard Engine Upgrade
As of March 8, 2019 3:00 PM**

Question#1: *Can you please send me pictures of the engines you wish to trade in and the transoms on the boats? Are there any known issues with the (3) engines on the Intrepid?*

Answer #1: Attached are photos of both the Intrepid and Zodiac. Per Part B, paragraph 4, Pre-Proposal Inspection of Equipment: "Any Proposer wishing to visually inspect the existing engines prior to submitting a proposal may contact Purchasing@hcsso.tampa.us or the Buyer, Colleen Hensley, 813-247-8068."

There are no known issues with the Intrepid engines at this time. The Intrepid was last serviced 6/2018, and the Zodiac was last serviced 1/2019.

Question#2: *What type of steering system is on the 40' Intrepid?*

Answer #2: The steering system is UFlex.

Question#3: *Also do you have any type of run data from the last time these engines were serviced?*

Answer #3: No run data is available from the June 2018 service of the Intrepid motors.
