Submittals are to be delivered in a sealed package. The face of the package shall indicate the RFQ name, number, and time and date of the opening. A label is provided within this document.

Submittals must be received by the HCSO Purchasing Section no later than the time and date shown herein. PCs mailing their Submittals should allow for normal mail time to ensure receipt by HCSO prior to the time and date fixed for the acceptance of the Submittals. Submittals or unsolicited amendments to Submittals, received by the HCSO after the acceptance date will not be considered.

The HCSO reserves the right to postpone the date for receipt and opening of Submittals or other deadlines and will make a reasonable effort to give at least five (5) calendar days' notice of any such postponement to each prospective PC.

Submittals will be reviewed by multiple HCSO personnel. Failure to submit all required items in the manner specified may result in the PC's Submittal being disqualified. PC's selections to a pre-qualified list will be substantiated by supportive comments by each Reviewer. Each Reviewer will independently read all eligible Submittals with the exception of any pricing or rate schedules included, if applicable. Any clarifications requested by a Reviewer will be presented to the PC

through the Buyer. When all reviews are complete, the Buyer will create an initial selection matrix indicating the group's collective pre-qualified list of PCs.

8. REVIEW OF SUBMITTALS: Initially, all Submittals will be reviewed to determine if the PC is both responsive in terms of the completeness of the Submittal Package and responsible in that proof of a legal, legitimate business enterprise has been provided along with any other qualifications stipulated. Submittals determined to be deficient in either responsiveness or responsibility may be rejected without further review.

For PCs to be considered responsive, offerors must meet these minimum requirements:

- a. Complete and return Submittal Package in a concise, well-organized platform, including all requested and/or required materials, by the date and time listed herein.
- b. Complete and return Supplier Application Packet, in its entirety, regardless of applicant status.

In the determination of the evidence of responsibility and ability to perform the Services, the HCSO reserves the right to evaluate the financial condition, experience record, personnel, facilities, and organization of the PC. The HCSO shall determine whether the evidence of responsibility and ability to perform is deemed satisfactory. The HCSO reserves the right to reject a Submittal when evidence indicates the inability to perform the Services specified within the RFQ.

9. ORAL PRESENTATION/TELEPHONE DISCUSSIONS: HCSO intends to pre-qualify multiple PCs for this RFQ. Oral Presentations by the PCs will not be required for this RFQ. Telephone Discussions may be held with each of the pre-qualified PCs.

employee or the officer's or employee's spouse or child, or any combination thereof, has a material (>5%) interest. An officer or employee is also prohibited from having an employment or contractual relationship that creates a continuing or recurring conflict between their private interest and the performance of their HCSO public duties.

12. AWARD: To be awarded as a PC on HCSO's pre-qualified list, PC must be responsive, responsible and meet or exceed the minimum specifications listed herein. Award may be made to more than one (1) PC.
  - a. Award will be dependent upon the determination that the Submittal Package(s) is responsive, PCs are responsible, and review of criteria stated in the Submittal Package(s) and any other provided information is deemed relevant and beneficial. Submittal Packages and PCs determined to be deficient in either responsiveness or responsibility may be rejected without further review. Tabulation of the RFQ Responses will be published at the time of Award.
    - i. To be responsive, Submittals must be received by the advertised date and time, be in accordance with objective mandatory submission requirements such as the correct number of copies and authorized signatures, proof of insurability, bonding, certification, or other requirements listed in SPECIAL PROVISIONS (PART B).
    - ii. Responsible PCs have appropriate financial, organizational, and operational capacity and controls; appropriate legal authority to do business in Hillsborough County, Florida; a satisfactory record of integrity; and an acceptable performance record on past contracts.
  - b. Notification of Award will be sent to the PC(s) receiving the Award. RFQ results will be published on the HCSO website: <https://TeamHCSO.com/Purchasing>.
13. RFQ OPENING: There will be no public or recorded opening. Submittal Packages received by the date and time stated herein will be reviewed, and acceptable ECs will be marked for Award on a tabulation sheet that will then be posted to the HCSO website: <https://TeamHCSO.com/Purchasing>.
  - a. Submittal Packages must be received by the HCSO Purchasing Section no later than the date and time shown within this Submittal Package. PCs mailing their Submittal Packages should allow for normal mail time to ensure receipt by HCSO prior to the date and time fixed for the acceptance of the RFQs. Submittal Packages or unsolicited amendments to submissions received by the HCSO after the acceptance date and time will not be considered.
  - b. The HCSO reserves the right to postpone the date for receipt and opening of submissions or other deadlines and will make a reasonable effort to give at least five (5) calendar days' notice of any such postponement to each prospective PC.
  - c. It is understood and agreed upon by the PC in submitting a Submittal Package that the HCSO has the right to withhold all information regarding this procurement until after contract award, including but not limited to, the number of responses received, competitive technical information, and the HCSO review concerns about competing. Information released after Award is subject to the disclosure requirements of the Chapter 119, Florida Statutes. PCs are enjoined from discussing or disclosing the content of any Submittal Package with competing

PCs during the review or negotiation process.

14. ACCEPTANCE AND REJECTION: The HCSO reserves the right to reject any or all Submittal Responses, for cause, to waive irregularities, if any, and to accept the Submittal Response (or Responses) which, in the judgment of the Sheriff, are in the best interest of the HCSO. The HCSO reserves the right to review, add, and/or reject any items from any RFQ options or resulting Contract(s) and/or Agreement(s), when deemed to be in the best interest of the HCSO.
15. AGREEMENT PERIOD: The resulting Awards from this RFQ may be effective for five (5) years from the date of Award. Any additions or deletions to the RFQ will be considered amendments. Any additions or deletions to the Agreement will constitute a Change Order and must be executed in writing and approved by the Chief Financial Officer (CFO). The Change Order will consist of a memo to the CFO describing the justification for the item addition accompanied by the Awarded PC's (or PC's') written approval for each item to be added. If approved by the CFO, the item will be added to the Agreement and recorded on the original RFQ tabulation/price sheet.
17. CANCELATION: When deemed to be in the best interest of the HCSO, any Agreement(s) resulting from this RFQ may be canceled by the following means:

If it becomes necessary to terminate the Agreement without cause, all items and/or materials provided through the date of receipt of written notice of cancelation may be invoiced to the HCSO and will be considered for payment providing documentation of said expenses is forwarded with the request for payment.

18. ASSIGNMENT: The Awarded PC(s) will not assign, transfer, convey, or otherwise dispose of this Agreement or any part thereof, or of its right title or interest therein, or its power to execute this Agreement or any amendment or modification hereto, to any other person, company, or corporation, without prior written consent of the HCSO. Sale of a majority of corporate stocks or filing for bankruptcy or reorganization shall be considered an assignment.
19. DEFAULT: The Agreement may be canceled or nullified by the HCSO's CFO in whole, or in part, by written notice of default to the Awarded PC(s) upon non-performance or violation of Agreement terms. An Award may be made to the next best responsive Submittal Package and responsible PC based on review, or articles specified may be purchased on the open market similar to those so terminated. Failure of the Awarded PC(s) to deliver items within the time stipulated in this RFQ, unless extended in writing by the Financial Services Division, shall constitute an Agreement default. Applications for payment will be required for partial payments or progress payments, and are acceptable in lieu of an invoice, if numbered. All applications for partial payment shall be accompanied by a schedule of values and indicate the percentage of Work completed as of the application date.

All progress payments will be subject to retainer. Projects with total cost of \$200,000 or less will be subject to 10 percent retainer. Approval for payment of the final invoice and release of the retainer shall be subject to the final project inspection and acceptance by the Project Manager. The retained amount should **not** be included on the final invoice but should be requested separately.

It is a requirement of the HCSO to have the Plumbing Services Manager and Project Manager review and approve all applications for payment and invoices prior to the HCSO remitting payment.

Applications for payment should be accompanied by Waivers of Lien from the PC, all Subcontractors, and all suppliers of equipment and materials. Payments may not be considered without these documents.

Invoices shall be e-mailed to [AccountsPayable@HCSO.tampa.fl.us](mailto:AccountsPayable@HCSO.tampa.fl.us).

Payment shall be made in accordance with Chapter 218, Part VII, *Florida Statutes*, which states the PC's rights and the HCSO's responsibilities concerning interest penalties and time limits for payment of invoices. Timely payment of invoices is incumbent upon the HCSO and in no case shall payment exceed 45 calendar days from date of receipt of a properly approved application/invoice.

Payments may be withheld because of any of the following conditions:
