- 1. Will previously awarded firms need to resubmit a proposal for RFQ 2026-002 Architectural & Engineering Services if we recently renewed under the previous RFQ 2022-014 Architectural & Engineering Services?**

**Answer:** Yes, the Hillsborough County Sheriff's Office (HCSO) invites all interested firms, including both newly interested firms and those previously awarded, to submit a proposal in response to RFQ 2026-002 for consideration. Upon award and execution of contracts under RFQ 2026-002, firms previously awarded under RFQ 2022-014 will be notified of the contract cancellation, and RFQ 2026-002 will replace and supersede RFQ 2022-014 in its entirety.
