Any reference to the "Work" throughout this Bid packet is defined to be inclusive of the Scope of Work and any related performance detailed herein.

1.1.1 Proposed Schedule.

The Bid schedule set out herein represents the Hillsborough County Sheriff's Office's (HCSO or Procurement Specialist) best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt, is delayed, the rest of the schedule may shift accordingly. All times are Eastern Standard Time.

Issue Date: Advertisement/Website Publication/etc.	July 13, 2026 08:30
Deadline for Submitting Questions	July 24 2026 15:00
Deadline for Receipt / Bid Opening	August 12, 2026 15:00
Award Notification Target Date	September 9, 2026

1.1.2 This Bid does not, by itself, obligate the HCSO.

The HCSO's obligation will commence when the contract is awarded. Upon written notice to the Supplier, the HCSO may set a different starting date. The HCSO will not be responsible for any Work commenced, even in good faith, if it occurs prior to the contract start date set by the HCSO.

1.2 Contract Documents.

During award procedures, the Bid, its attachments, its amendments, and Bid package submitted by the Supplier will become incorporated into an Agreement that becomes the "Contract Document." This Agreement will require the signatures of the Supplier and either the signature of the Sheriff, Undersheriff, Chief Deputy, or the Chief Financial Officer to become binding. A draft copy of the proposed Agreement and its terms and conditions are attached to this ITB for review. The final executed Agreement may have differing terms due to corrections and/or negotiations. All Bid Packages become the property of the HCSO and will not be returned to the Supplier. The HCSO reserves the right to clarify any contractual relationship in writing with the Supplier, and such written clarification shall govern in case of conflict with the applicable requirements stated in the Bid or the Supplier's response. In all other matters not affected by the written clarification, if any, the Bid and all amendments thereto shall govern. The Supplier is cautioned that his Bid shall be subject to acceptance without further clarification.

Suppliers selected for award of a contract will be required to execute a written Agreement with HCSO (see attached Exhibit A). Only those modifications the Supplier indicates in its response will be available for discussion. Much of the language in the Contract reflects State of Florida and

HCSO legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Florida law or HCSO Policy may result in the Bid being disqualified from further review and evaluation.

To request a modification to the Contract terms, conditions, or specifications, a Supplier must submit the requested modifications or exceptions to the award contract along with the exceptions to bid, see section 5.3 for more information. Exceptions must:

- A. Clearly identify the affected article and section, and
- B. Clearly note what language is requested to be modified. Unclear requests will be automatically denied.

Only those exceptions that have been accepted by HCSO will be included in the contract document provided to the Awarded Supplier for signature.

If a Supplier receives a contract award resulting from this solicitation it will have up to 30 days to sign and return the contract. After that time, at HCSO's sole discretion, the contract award may be revoked.

1.3 Bid Response Submission Requirements.

Bids will be received until the time and date shown and will be read aloud immediately thereafter. A video recording of the physically received, electronically submitted or otherwise accepted Bid participants will then be posted to the (HCSO) website at www.TeamHCSO.com/Purchasing and on Euna OpenBids: www.demandstar.com. To support the evaluation of your Bid Response, please refer to the BID CHECKLIST. **Respondents that do not follow submittal instructions may be declared non-responsive and eliminated from consideration.**

Responses may be submitted by hand-delivery, United States Postal Service (USPS), commercial shipment or electronically on Euna OpenBids.

The completed APPENDIX I (Supplier Application Packet) must be returned, with all the documentation listed therein, with your Bid Response along with copies of Hillsborough County Business Tax Receipt, other local government, or state business license(s) as applicable.

- 1.3.1 Physical submitted Bids must be contained in a SEALED envelope addressed to: **Hillsborough County Sheriff's Office, Sheriff's Operations Center, Financial Services Division – Purchasing Section, 2008 East Eighth Avenue, Tampa Florida 33605.** To prevent inadvertent opening, the Bid must be marked as a BID DOCUMENT (including the Bid number, Date, and Time of Bid Opening) on the outermost envelope or packaging material – See 5.8 Packaging Label.
- 1.3.2 Electronic bids may be submitted through a secure mailbox at Euna OpenBids (www.demandstar.com) until the date and time as indicated in this document. It is the sole responsibility of the supplier to ensure their bid reaches Euna OpenBids before the closing date and time.
- 1.3.3 When appropriate, respondent should provide one (1) clearly marked redacted copy.

- 1.3.4 If our specifications, when included, are not returned with your Bid, and no specific reference is made to them in your Bid Response, it will be assumed that all specifications will be met. When material, sketches, cuts, descriptive literature, Company's or manufacturer's specifications which accompany the Bid Response, contain information that can be construed or is intended to be a deviation from our specifications, such deviation must be specifically referenced in your Bid Response.

1.4 Bid Delivery.

The responsibility for getting the Bid to the HCSO on or before the stated time and date will be solely and strictly the responsibility of the Supplier. The HCSO will in no way be responsible for delays caused by the USPS or a delay caused by any other occurrence, or any other method of delivery. Bids must be received no later than the date and time listed herein. Late Bids or amendments may be disqualified, not opened, or accepted for evaluation when applicable.

1.5 Bid Submittal Costs.

Submittal of a Bid is solely at the cost of the Supplier and the HCSO in no way is liable or obligates itself for any cost incurred by the Supplier in preparing the Bid Package.

1.6 Communication Between Parties.

All questions in regard to this Bid are to be directed, in writing, to the Procurement Specialist listed in Section 1.1. No communication is allowed, either directly or indirectly, with any other HCSO employee regarding this Bid prior to the notice of award.

In the interest of public access, all documents relating to this Bid will be posted to the HCSO website at <https://TeamHCSO.com/Purchasing>. This will include Question and Answers (Q&A), amendments, addenda, etc. Posting documents to the HCSO website is considered the official method of notification regardless of other notification methods the Procurement Specialist utilizes for convenience of the parties involved. Any modifications or alterations to the original document language will be cause for the rejection of a Bid.

1.7 Amendments to the Bid.

If an amendment is issued, it will be provided to all who have notified the Procurement Specialist of their intent to Bid and have also attended the pre-bid conference. It will also be posted to the HCSO website at <https://TeamHCSO.com/Purchasing> and on the Euna OpenBids website.

1.8 Amendments to Bids.

Amendments to or withdrawals of submitted Bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of the Bids.

1.9 Prices.

All Bids submitted must show the net Bid price after any allowable discounts have been deducted.

Prices are to be Free on Board (F.O.B.) Destination.

All Prices shall include freight (to include manufacturer to distributor), packaging, and any other similar fees.

The HCSO is exempt from all Florida State Sales, Use, Transportation, and Excise taxes. The HCSO will issue tax exemption certificates to the Awarded Supplier(s).

The Supplier's attention is directed to the laws of the State of Florida including, but not limited to, Chapter 212, Florida Statutes, which applies to all transactions resulting from this Bid, and that all applicable taxes and fees shall be deemed to have been included in the Bid Response as part of the materials cost, when applicable.

1.10 General Supplier Qualifications.

Bids shall be considered only from those who clearly demonstrate to the HCSO a professional ability to perform the type of Work specified within the Bid. Suppliers must be able to demonstrate adequate organization, financial backing, equipment, and personnel to ensure continuous provision of quality service to the HCSO. In the determination of the evidence of responsibility and ability to perform the contract by the Supplier, the HCSO reserves the right to investigate the financial condition, experience record, personnel, equipment, facilities, and organization of the Supplier. The HCSO shall determine whether the evidence of responsibility and ability to perform is satisfactory and will make awards only when such evidence is deemed satisfactory. The Sheriff reserves the right to reject a Bid when evidence indicates the inability to perform the Work specified within the Bid.

1.11 Documented Past Performance with the HCSO.

Suppliers are informed that documented past performance with the HCSO may be considered in determining Supplier responsibility and responsiveness. Suppliers with a history of poor performance with the HCSO may be deemed non-responsive to this solicitation.

1.12 Exceptions to Bid.

All Bid Responses must clearly state with specific detail all deviations to the requirements imposed upon the Bid by the terms contained therein. Such deviations should be stated upon the Bid Response or appended thereto, see section 5.3. Suppliers are hereby advised that the HCSO will only consider Bid Responses that meet the specifications and other requirements imposed upon them by this Bid. In instances where an exception is stated upon the Bid Response, said Bid Response may be rejected.

1.13 Bid Errors.

1.14 No Bid.

If you do not wish to submit a response to the Bid, please fill out and return the Statement of No Participation contained in Section 5. The information garnered is helpful to better the HCSO procurement process and assures the HCSO you wish to remain on the HCSO Supplier list.

No portion of the Work shall be subcontracted without prior written approval of the HCSO. The Awarded Supplier(s) may not sublet or subcontract any of the contractual obligations concerning this Bid matter except as provided in the written contract between the HCSO and Awarded Supplier. This statement prohibits subcontracting overall management obligations pertaining to the Work and requires the Awarded Supplier to retain ultimate liability for all contractual obligations.

Respondents should carefully review this Bid for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material should be made in writing and received by the Procurement Specialist at least 5 business days before the deadline for the receipt of Bids. 2.1 Requirements.

The purpose of this solicitation is to establish fixed pricing and a proposed service schedule for the procurement of shredding services to support the Hillsborough County Sheriff's Office (HCSO) certified document destruction requirements. HCSO seeks a qualified supplier to assist with the secure destruction of records, cartons, plastic media, and other forms of physical or electronic records.

The awarded supplier shall provide on-site shredding services in accordance with HIPAA requirements and the standards established by the National Association for Information Destruction (NAID), ensuring the secure and compliant destruction of sensitive materials. NAID certified companies operate under a strict code of standards and ethics and NAID conducts annual and random audits to ensure that certified members follow industry best practices, legal and ethical standards, and NAID certification requirements. A lapse of NAID certification during the term of the contract resulting from this BID will be good cause for contract termination by the HCSO.

The Awarded Supplier shall prominently display the solicitation number BID 2026-018 on all quotations, invoices, packing slips, and any other documentation related to this solicitation. This requirement facilitates accurate order tracking and payment processing. Non-compliance may lead to processing delays. The Contract shall be effective for Two (2) years from the date of award. By written mutual consent between the HCSO and the Supplier, the Contract may be extended on an annual basis for up to three (3) additional one (1) year periods. See section 3.13 for information about renewals.

Section 3 General Process Information

3.1 Supplier Diversity.

Sheriff's Office shall comply with, and shall cause each of its third-party contractors, suppliers, and professionals to comply with, all applicable laws, regulations, codes, and rules governing the design, construction, and completion of the components of the Project, including but not limited to, those relating to the Americans with Disabilities Act (ADA). To ensure the maximum participation in posted HCSO solicitations, the HCSO Purchasing Office submits all postings to the Florida Department of Management Services' Office of Supplier Diversity (OSD) and the Hillsborough County MBE/SBE Programs Office. These offices will then share the posted opportunities with OSD certified vendors to ensure exposure to businesses and increase the number of eligible Disadvantaged Minority/Disadvantaged Women Business Enterprise (DM/DWBE), Veteran-Owned Small Business (VOSB/SDVOSB), and Small Business Enterprise (SBE) vendors in the area while also expanding the overall participation rate for DM/DWBE and SBE vendors and overall providing greater opportunities to disadvantaged businesses.

3.2 Acceptance and Rejection.

The HCSO reserves the right to reject any or all Bids, for cause, to waive irregularities, if any, and to accept the Bid (or Bids) which, in the judgment of the Sheriff, are in the best interest of the HCSO. The HCSO reserves the right to evaluate, add, and/or reject any items from any Bid options or resulting contract(s) when deemed to be in the best interest of the HCSO.

3.3 Next Best Supplier.

In the event of a default by the Awarded Supplier, or cancellation by the HCSO, the HCSO reserves the right to utilize the next best responsive Bid and responsible Supplier. In the event of this occurrence, the new Awarded Supplier shall be required to provide the Bid items at the prices as contained in their Bid Response, for the remainder of the award period.

3.4 Addition/Deletion.

The HCSO reserves the right to add or delete any items from this Bid or resulting Contract(s) when deemed to be in the best interest of the HCSO. Any additions or deletions to the Bid will be considered amendments. Any additions or deletions to the Contract will constitute a Change Order and must be executed in writing and approved by the CFO. The Change Order will consist of a memo to the CFO describing the justification for the item added accompanied by the Awarded Supplier's written, fixed price quote for each item to be added. If approved by the CFO, the item will be added to the Contract and recorded on the original Bid tabulation/price sheet.

3.5 Award.

Award shall be made to the most Responsive and Responsible Supplier meeting specifications, price and other factors considered. HCSO reserves the right to award by line item or by overall total, whichever is deemed in the best interest of HCSO and/or Hillsborough County. Award may be made to more than one (1) Supplier to ensure that Work is completed in a timely manner.

If the HCSO awards the entire bid, or line items, to more than one (1) Supplier, then orders will be placed as needed. The determination of which Awarded Supplier the HCSO will place an order with will be decided based upon price, lead times, and other operational needs at the time of the order.

Tabulation of the Bid prices and Supplier rankings, if applicable, will be published at the time of Award. All Suppliers responding with a Bid will receive a copy of the Bid tabulation.

Notification of Award will be sent to the Supplier receiving the Award. Bid results will be published on the HCSO website at www.TeamHCSO.com/Purchasing

In the Event two (2) or more Suppliers have submitted the lowest and best Bids, preference may be given in the Award in the following order. First, to the Supplier who has their principal place of business in Hillsborough County; second, to the Supplier who has a place of business in Hillsborough County; and third, if the Suppliers involved in the "tie bid" situation are all located inside/outside Hillsborough County, the toss of a coin may be used to break the tie.

3.6 **Determination of Responsiveness.**

Determination of responsiveness will take place at the time of Bid Opening and evaluation. In order to be deemed a responsive Supplier, the Bid must conform in all material respects to the requirements stated in the Invitation to Bid.

3.7 **Responsible Supplier Criteria.**

Bids will be evaluated to determine if qualifications and contract requirements are met. Bid Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as non-responsive. The HCSO will not request documentation or consider a Supplier's social, political or ideological interests in determining if the Supplier is a responsible Supplier. HCSO will not give preference to a Supplier based on the Supplier's social, political or ideological interests.

Suppliers whose responses, past performance or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsible. In determining a responsible Supplier, the following factors may be considered:

- *Adequacy of facilities, staffing, and financial resources;*
- *Previous experience with HCSO contracts or other similar government contracts;*
- *Ability to provide excellent customer service, including on previous HCSO contracts; and*
- *Any other information relevant to the responsibility of a Supplier of which HCSO is aware.*

In addition to the requirements set forth by these Terms & Conditions, HCSO reserves the right to request staffing, performance and financial information from any Supplier during the evaluation process.

HCSO reserves the right to determine which responses meet the requirements, specifications, Terms & Conditions of the solicitation, and which Suppliers are responsive and responsible.

HCSO further reserves the right to limit participation of Suppliers who, in HCSO's sole discretion, are determined to present responsibility concerns that call into question the Supplier's ability to perform but that do not rise to the level of requiring rejection of the Supplier as non-responsible.

3.8 **Basis for Award:**

Award is anticipated to be made to the responsive and responsible Supplier offering the lowest overall evaluated cost while meeting all solicitation requirements and providing an acceptable

service schedule that best supports the operational needs of the Hillsborough County Sheriff's Office (HCSO).

In evaluating responses, HCSO will consider pricing, the proposed service schedule, Supplier qualifications, and the Supplier's ability to satisfactorily perform the required services. HCSO reserves the right to request clarification of any information submitted, verify Supplier qualifications, and determine the responsiveness and responsibility of any Supplier.

To be eligible for award, the Supplier must be registered and authorized to conduct business in the State of Florida through SunBiz.gov at the time of award.

HCSO reserves the right to reject any or all responses, waive minor informalities or irregularities, and make an award in the best interest of the agency.

The Supplier must, by the time of award, be registered to do business in the State of Florida on SunBiz.gov.

3.9 Protests.

Any prospective Supplier who disputes the reasonableness or appropriateness of the notice of Award, or notice of rejection, for any or all Bids, must submit a notice of protest in writing within 72 hours (excluding HCSO holidays, Saturdays, and Sundays) of the notice of award to the HCSO Purchasing Section by registered mail or hand delivery for which a receipt must be provided.

3.9.1 The HCSO will have five (5) business days upon receipt of the notice to review and consider the protest as written. The Procurement Specialist will coordinate the review process with the parties involved and may request additional information from the Supplier or request a meeting to gain further clarification of the issue. Upon completion of this review process, the Procurement Specialist will make a recommendation to the Chief Financial Officer (CFO).

3.9.2 The CFO may concur with the recommendation or arrive at a separate decision. The decision of the CFO will be communicated to the protesting Supplier in writing. This decision, and the basis upon which it was made, will be communicated to the Supplier within five (5) business days following the receipt of the recommendation from the Purchasing Section. A single appeal of the CFO's decision is available by submitting a notice in writing within 72 hours (excluding HCSO holidays, Saturdays, and Sundays) requesting a management review of the decision. Final decision of an appeal will be made by the Sheriff.

3.10 Delivery.

Product(s) ordered shall be delivered in accordance with time periods for delivery identified in Bid Response. Failure to do so shall be considered a breach of Contract, or default, and the HCSO may utilize its options as stated herein.

Deliveries resulting from this Bid are to be made during the normal business hours of the HCSO. It is the Supplier's responsibility to obtain this information.

Any backordered product(s) shall be made available within 60 calendar days of the time of backorder (original date of receipt). If the backorder cannot be filled within the time frame of this requirement, the HCSO's Financial Services Division shall be notified, in writing, thus permitting the HCSO to obtain the required materials/items and/or exercise its options as stated herein.

3.11 Claims.

The Awarded Supplier will immediately replace missing or damaged items and will be responsible for making any and all claims against carriers.

3.12 Invoicing and Payments.

The Supplier shall invoice the HCSO for Work completed and/or items delivered. All invoices must have a unique invoice number and shall include the HCSO Purchase Order (PO) number. Invoices shall be e-mailed to accountspayable@hcsso.tampa.fl.us.

3.12.1 All invoices shall reference **HCSO Bid 2026-018 – Shredding Services** and include a detailed itemization of the services provided, quantities, unit prices, and total charges. Invoice pricing shall not exceed the contract pricing established under the awarded agreement unless otherwise authorized in writing by HCSO.

3.12.2 At a minimum, all invoices for Work completed shall include:

- Total invoice amount.

3.12.3 If materials or products are delivered under this contract, invoices shall include, at a minimum:

- Unit price and total price for each item in accordance with the awarded contract pricing.
- Total invoice amount.

3.12.4 ACH and HCSO Purchasing Card (P-Card) are the accepted methods of payment; please inquire at (813) 247-8276 or accountspayable@hcsso.tampa.fl.us.

3.12.5 Payment shall be made in accordance with Chapter 218, Part VII, Florida Statutes, which states the Supplier's rights and the HCSO's responsibilities concerning interest penalties and time limits for payment of invoices. Timely payment of invoices is incumbent upon the HCSO and in no case shall payment exceed 45 calendar days from date of receipt of a properly approved application/invoice.

3.13 Renewal.

Prior to the expiration of the Initial Term of the Agreement or any subsequent renewals, upon written mutual Agreement between the HCSO and the Awarded Supplier, the contract may be extended for up to three (3) additional one-year periods. Contract extensions that do not alter any terms and conditions outlined in the awarded contract or this ITB may be executed by the procurement office through a renewal process. Renewals involve a bilateral signature process, whereby both parties can extend the contract's duration under the same terms and conditions, or with an added price increase. Any modifications to the terms and conditions stated in the awarded

contract or the ITB require written mutual consent between the HCSO and the Awarded Supplier, in the form of an amendment to this awarded contract. In the event the HCSO fails to exercise an option to renew, the Agreement shall continue in full force on a month-to-month basis unless the Procurement Specialist communicates in writing that the contract will not be renewed.

3.14 Escalation/De-escalation in Pricing.

The HCSO will allow an escalation/de-escalation provision in this Contract. The prices set herein shall have the opportunity to be adjusted during the renewal period for each term of the contract. The Awarded Supplier(s) must notify the HCSO's Financial Services Division of the price escalation/de-escalation request a minimum of 60 calendar days prior to the end of each one (1) year period for which the Bid was awarded for it to be considered. The price escalation request must be due to a factor beyond the control of the Supplier and can be no more than the percentage of increase passed through to the Awarded Supplier by the manufacturer. At the time of request, Supplier must furnish written substantiation of increase by its supplier/manufacturer to the HCSO. Said substantiation shall be in the form of invoices, receipts and/or other appropriate documentation showing costs in effect at the time of the bid versus cost in effect at the time of the request for price escalation. Any price increase must be substantiated to the satisfaction of the HCSO and shall only be effective upon acceptance by HCSO in writing.

A price escalation request outside of the renewal process may be accepted. These requests must reference/cite and include any source materials used to form the basis of the proposed justification but must not include historical information prior to the initial contract term. They must also include the same written substantiation documentation as mentioned in the paragraph above. The HCSO will research Bureau of Labor Statistics (BLS) Producer Price Index (PPI) and/or other related indicators or sources and conduct an analysis to determine 1) if the submitted justification and evidence are sufficient, 2) the requested price escalation is fair and reasonable, and 3) if approving the request is in the HCSO's best interest. The HCSO reserves the right to negotiate, accept or reject the request, or terminate and re-solicit the contract.

3.15 Default.

The Contract may be cancelled or nullified by the HCSO's CFO in whole, or in part, by written notice of default to the Awarded Supplier(s) upon non-performance or violation of Contract terms. An award may be made to the next best responsive Bid and responsible Supplier based on evaluation, or articles specified may be purchased on the open market similar to those terminated. Failure of the Awarded Supplier to deliver materials, or items within the time stipulated in this Bid, unless extended in writing by the Financial Services Division, shall constitute Contract Default. Awarded Suppliers who default on contracts may be removed from the HCSO Supplier List and determined ineligible for future contracts at the discretion of the CFO.

3.16 Cancellation.

When deemed to be in the best interest of the HCSO, any contract(s) resulting from this Bid may be cancelled by the following means:

- 10 calendar days' written notice with cause, or;
- 30 calendar days' written notice without cause.

If it becomes necessary to terminate the Contract without cause, all items and/or materials

An award may be made to the next best responsive Bid and responsible Supplier based on evaluation, or articles specified may be purchased on the open market similar to those terminated.

4.3 No Waiver.

No failure or delay on the part of any party hereto in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. Any waiver granted hereunder must be in writing and shall be valid only in the specific instance in which given.
